Thanks to all of you for supporting BMASER and our lifelong commitment to providing a home and loving care to neglected and abused farm animals! With your help and support we were able to house, nourish, and care for 44 farm animals this year. BMASER was also able to welcome three new residents: two roosters and one goose.

Greta the goose, named after the late Greta Cheskin, mother of co-founder Larry Cheskin.

2016 was bittersweet, with happiness for lives we saved as well as sadness for those we lost. With great sadness we said goodbye to our ‘lap’

turkey, Marisa. Her memory will live on forever in our hearts.

Volunteers

BMASER is blessed to have so many outstanding volunteers to foster our mission. Adults and children alike have supported BMASER in many ways, from manual farm labor and hands-on care animal care to staffing for community awareness events. We are grateful to all of the volunteers who have helped Burleigh Manor in these various ways.

Honey (Amanda Clark Photography)

We would first like to recognize our partner, **Cate Principati**, otherwise known as the Burleigh Manor Barn Manager. The Sanctuary would not run without Cate's daily devotion and dedication to each of our animal residents.

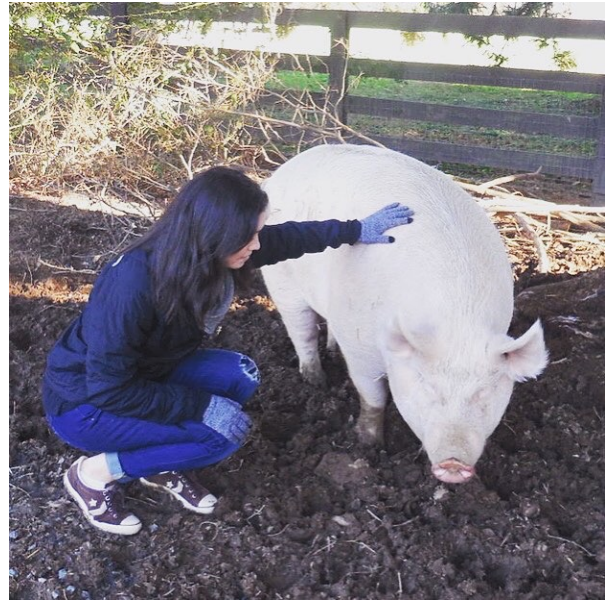

Thank you also to the many other BMASER volunteers: **Sarah Bovie, Cicely Clark, Blair Cooke, Nathaniel Corn, Lindsay Cribbs, Ana Cunningham, Nicole Dunn, Zoe Katz, Richard LaDez, Carmen L-Arvizu, Christina & Doug Liberto, Mike Liebman, Libby McGuire, Kieran McKinnon, Lise McKinnon, Melle McKinnon, Andrea Meade, Mariana Meade, Katie Miller, Rissa Miller, Joy Peterson, Alan Tominack, Cheryl Ursida and the Howard County Community College students.**

A huge and special thank you to our dedicated volunteers. Your tireless efforts have made BMASER a better place for its residents and visitors.

Volunteers in the Spotlight

The volunteers highlighted for their special contributions this year are **Lindsay Cribbs** and **Nicole Dunn**.

Lindsay is BMASER's volunteer educational program and farm tour coordinator. She is always willing to help with anything and everything, and does a lot of the "behind the scenes" work in addition to providing animal care and helping with tours and events. We are grateful for her lending hand and willing attitude.

Lindsay and Mabel

Nicole is a dedicated volunteer who brings a wonderful energy and spirit along with her. Whether she is caring for the Burleigh farm animals, giving tours or working events, she shares her positive energy with all. We are so thankful to have her spirit and energy at Burleigh Manor.

Alan, Nicole, and Goose.
